

**Fireproof Balaclavas
BriSCA F2 / ORCi Statement
25th February 2015
(E&OE)**

Fireproof Balaclavas

- BriSCA F2 have been advised by the ORCi that the use of fireproof balaclavas is now **MANDATORY** in ALL ORCi and ORCi-affiliated formulas for the 2015 season.
 - The mandatory use of fireproof balaclavas covers ALL formulas from local Bangers and Stock Rods, through to national touring series such as BriSCA F2, BriSCA F1 and National Hot Rods.
 - Balaclavas **MUST** be flame-resistant / fire-retardant, and have an appropriate visible marking, e.g. the FIA 8856-2000 standard.
 - Balaclavas **MUST** be presented for inspection at scrutineering in the same way as helmets, gloves, and race-suits.
 - Fireproof balaclavas are an inexpensive safety item and are widely available from Official BriSCA F2 Partners, trackside racewear vendors, and online stores.
-
