**Technical Statement**  
**Raceway Venray - Brake System Requirements**  
**10<sup>th</sup> March 2017**  
**Version 1.0 FINAL**  
(E&OE)

---

### **Introduction**

Raceway Venray (Netherlands) have advised BriSCA F2 that the previous local requirement, for all 4 wheels of the car to have a fitted and working brake caliper installed, is no longer applicable.

The Raceway Venray rules for the braking system on BriSCA F2 cars competing at Venray are now identical to all other tracks, and as per the 2017 BriSCA F2 rulebook.

---

### **Rule 218.2.1**

**[Applicable to Raceway Venray (Netherlands) Only]**

**This rule is NO LONGER APPLICABLE, and can be ignored.**

The requirement for all cars to have 4 working brake calipers has been removed.
