

## Technical Statement Fuel Supply 31<sup>st</sup> May 2017 Version 1.1 FINAL (E&OE)

### Random Fuel Supply

- Rule 222.4.3 states:  
Supply – UK Tracks – Any promotion or BriSCA F2 Technical Officer has the right to supply a car or cars, prior to the start of a race, with fuel that conforms to one of the following standards, and will supply an approved additive if required:
  - BS EN 228 : 2008 – Unleaded
  - BS 7800 : 2006 – Super Unleaded
- During the Ben Fund Championship speed-weekend staged at Taunton on 20<sup>th</sup>/21<sup>st</sup> May, the following five drivers (in numerical order) were chosen for an unannounced fuel swap using fuel supplied by staging promotion Autospeed:
 

#16	Craig Wallace	(Saturday)	#7	Gordon Moodie	(Sunday)
#560	Luke Wrench	(Saturday)	#101	Kelvyn Marshall	(Sunday)
			#127	Matt Stoneman	(Sunday)
- Following Saturday pre-meeting practice, but prior to the commencement of racing, Mr. Wallace and Mr. Wrench were requested to take their cars to the safe area of the infield where various components were sealed, their fuel tanks were drained, and replacement fuel was supplied. The cars' tanks were subsequently sealed and the cars/drivers permitted to return to the pits.
- The same procedure was followed prior to the commencement of racing on the Sunday for Mr. Moodie, Mr. Marshall, and Mr. Stoneman.
- Each driver was supplied with fresh Shell V-Power fuel, and given the option of Millers "CVL".
- During the course of each meeting, the BriSCA F2 Chief Technical Consultant monitored each car running the Autospeed supplied fuel, regularly checked all sealed components, and dispensed new fuel to each driver/car as required. Each driver cooperated fully with the process.
- The following results were achieved by each driver when using the Autospeed supplied fuel:
 

Saturday	#16	Heat 1 – 6 <sup>th</sup>	n/a	Final – 14 <sup>th</sup>	GN – 4 <sup>th</sup>
	#560	Heat 3 – DNF	Cons – 2 <sup>nd</sup>	Final – 19 <sup>th</sup>	GN – 5 <sup>th</sup>
Sunday	#7	Ben Fund – 1 <sup>st</sup>	n/a	Final – 2 <sup>nd</sup>	GN – 2 <sup>nd</sup>
	#101	Ben Fund – 3 <sup>rd</sup>	n/a	Final – DNF	GN – 3 <sup>rd</sup>
	#127	Ben Fund – 11 <sup>th</sup>	Cons – DNF	n/a	GN – DNS

- **ALL drivers are reminded that they must only use fuel that is freely available from at least 200 roadside service stations, and that the ONLY permitted fuel additive is Millers "CVL".**
